

GAMSAT® Biology Preparation Checklist

Build up foundational GAMSAT® Biology knowledge

- **Biomolecules & the Cell**
- **Enzymes, Cellular Metabolism & the Central Dogma**
- **Cell Division**
- **Nervous System**
- **Musculoskeletal System**
- **Cardiovascular System**
- **Respiratory System**
- **Gastrointestinal System**
- **Renal System**
- **Endocrine System**
- **Immune System**
- **Genetics & Evolution**
- **Reproductive System**
- **Experimental Design and Data Analysis**

GAMSAT® Biology Preparation Checklist

- Begin practising your application of this knowledge with GAMSAT®-Style MCQs**
- As you become familiar with the style of MCQs, build up an MCQ Strategy**
- Make sure to track which areas and topics you are struggling with**
- Gradually build up to answering MCQs under realistic conditions (i.e. time pressure)**

Join Our Free Weekly Medical Student AMA (Ask Me Anything) Sessions

Every Thursday night from 7 PM (Melbourne time) until 7.30 PM

At GradReady, we're dedicated to helping you achieve your dream of becoming a doctor. To support you on your journey, we're excited to introduce our free ongoing Medical Student AMA (Ask Me Anything) sessions, held every Thursday night from 7 PM (Melbourne time) until 7.30 PM.

No enrolment is required—just come with your questions!

What to expect:

- **Online Live Q&A with a Medical Student:** Each session will be hosted by an expert tutor who is a current medical student. You'll have the opportunity to ask questions about GAMSAT® preparation, medical school applications, or anything else on your mind.
- **Engaging Discussions:** If there are no immediate questions, our tutor will share insights from their own GAMSAT® and medical school journey or address common queries, like: "What are my options to study medicine if I have a low GPA?"

These sessions are designed to provide you with continuous support and advice from someone who's been through the process. Plus, you'll be able to connect with other aspiring medical students.
